passengers over established routes in mass transportation of passengers (transit service) within the Provo City corporate limits.

b. Case No. 78-286-01, Certificate No. 1956 to act as a common motor carrier of passengers in mass transportation on a scheduled basis over established routes between the Provo City corporate limits and the University Mall in Orem, Utah and along State Street in Orem.

Utah Valley Transit, Inc. holds Certificates of Convenience and Necessity and contract permits issued by this Commission, set forth as follows:

a. Case No. 3608, Contract Carrier Permit No. 1952 to operate as a contract motor carrier of passengers in the transportation of employees of the Geneva Steel Company to the steel plant at Geneva, Utah as follows:

From Santaquin, Utah, Provo, Utah, via U.S. Highway 89; from Provo, Utah, to Geneva, Utah, via Utah Highway 114, and return over the same route, serving all intermediate points and the off-route points of Benjamin and Appleton, Utah, but excluding local service from Provo and the intermediate points to Geneva, Utah.

b. Case No. 3608-Sub 1, Certificate No. 933-Sub 1, to operate as a common motor carrier of passengers and employees of Geneva Steel Company as well as others in intrastate commerce from Provo, Utah, to Geneva, Utah, in the same operations formally conducted by Central Utah Transportation Company under Certificate No. 7. Case No. 3577, except intermediate points in Orem, Pleasant Grove, American Fork, and Lehi, and return.

To perform charter bus service as a common motor carrier of passengers, together with their baggage, for hire, upon and along the public highways of irregular routes from Provo, Utah County, Utah, as sole point of origin, upon the one hand, and all points and places in the State of Utah, upon the other.

c. Case No. 3608-Sub 2, Certificate No. 933-Sub 2, to the transportation of passengers by a motor vehicle in intrastate commerce between Heber City and Geneva Steel Plant, Geneva, Utah, serving all intermediate points over the following route over numbered highways via Midway and Charleston to U.S. Highway 189, thence to Utah Highway 189 to junction of U.S. Highway 189 and Utah Highway 52, thence over Utah Highway 52 to Geneva Steel Plant and return over the same route.

d. Case No. 3608-Sub 3, Certificate No. 933-Sub 3, to operate as a common motor carrier of passengers in intrastate commerce as follows: Between Heber City and Geneva Steel Plant, Geneva, Utah, serving all intermediate points over irregular routes, via Midway and Charleston, Utah, to U.S. Highway 189, thence to U.S. Highway 189 to junction of U.S. Highway 189 and Utah Highway 52, thence over Utah Highway 52 to Geneva Steel Plant and return over the same route.
